***FOR IMMEDIATE RELEASE***

DATED: NOVEMBER 9, 2026

## SUSPENSION OF INDEFINITE STRIKE

We convey our respectful greetings to our dedicated staff of the Judicial Service and members of the media.

1. Today, 9th November 2026, the leadership of JUSAG and SSAJUG received official correspondence from the Office of His Excellency the President regarding the outstanding issues on the review of salaries and related allowances for staff of the Judicial Service.

2. The leadership of the unions also held a meeting with Management, led by the Honourable Chief Justice of the Republic and supported by His Lordship Justice Gabriel Scott Pwamang and the Judicial Secretary, to consider the revised approval issued by the Government.

3. The revised position of the Government largely addressed the outstanding issues. The leadership, in turn, submitted a revised position on the commitments received from the Office of His Excellency the President as a final path towards ending the industrial action. In view of this development, JUSAG and SSAJUG have resolved to **suspend the strike action** effective **Tuesday, 10th November 2026** pending the finalisation of the commitments.

4. The leadership of JUSAG and SSAJUG wishes to commend His Excellency the President of the Republic of Ghana, the Honourable Chief Justice, His Lordship Justice Paul Baffoe-Bonnie, the President of the Supreme Court, His Lordship Justice Gabriel Scott Pwamang, the Honourable Attorney-General and Minister for Justice, Dr Dominic A. Ayine, the Judicial Secretary, Mr Ahamed Musah, and the Management of the Judicial Service, for their dedicated leadership, which has led to the resolution of this impasse.

5. We further wish to thank all members of staff for their unwavering support for the leadership of JUSAG and SSAJUG throughout the strike. You have been a strong pillar of the success achieved today. We also wish to thank the media for their professional reportage on the industrial action.

END
